Our Honorary Board of Advisors:

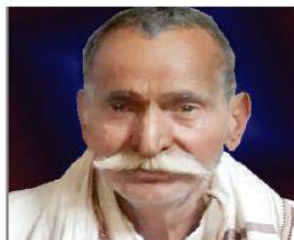

Mr. Anand Didwaniya
It Engg Microsoft, IIT ,
IIM , Madras

As an education professional serving disadvantaged communities, it is important to prioritize equity and accessibility in education, and to continuously seek out opportunities to improve the learning outcomes of those who are underprivileged. This may involve collaborating with local organizations, tailoring teaching methods to individual student needs, and staying informed about new research and best practices in education. It is also important to foster a supportive and inclusive learning environment, and to advocate for policies and resources that can help close the achievement gap.

Dr. Rajender Prasad Kaushik
Retired principal, Ph.D Astrology

Awarded by the President of India in 1963 the well known name in astrology and serving the society with his social activities. Having King interest and expertise in Indian mythology and Hindu spiritualism.

Mr. Tejpal Nagar
Social activist, Gau Sevak

Rewarded and awarded several times by government of India for in social activities and reforms for animal love specially for cows. He is a performing businessman a well known landlord and a Grass level human with humanity in his heart.

Mr. S.N. Bhattacharya
Industrial service, Politician
& social reformer

Admired for his industrial approach, This man has a wealth of experience and expertise from his three decades of service in various industries. It's positive that he's now entering politics with a social approach, and it's impressive that he has good achievements in society. His background and approach could make him a valuable asset to his community.

Our Honorary Board of Advisors:

Mrs. Seema Sharma
Social worker, MSW –
School Teacher

It's great to hear that she is good at social service and particularly active in woman empowerment. Working with the lady police department and collaborating with society to help deprived and underprivileged women and girls shows a strong dedication to social welfare. She's actively present in various social gatherings and still serving the community at the age of 50+. Her commitment and experience could make a significant difference in the lives of those she helps.

Mr. Rashmi Ranjan
Nutrition Expert, MHM, MSW, LLB

He is any true nutritionist and running a successful business in industry for food safety standards and canteens. Is expert is serves the needy and deprived by providing nutritious and delicious food at our NGO. Also his key knowledge on human rights can be cleaned in society for betterment and religious harmony.

Ms Pramod Sharma
Businessman, Religious devotee

This person has multiple interests and roles. As a businessman, he has experience in scrap dealing and resources, which could be useful in social activism. As a religious devotee, he has a strong personal conviction to help others and give back to their community. His social activism shows a willingness to make a positive impact on society beyond their business interests. Overall, he is a combination of business, religious, and social activism. His interests make him a well-rounded and impactful individual.

Our Honorary Board of Advisors:

Name of the Organization	:	OSHI FOUNDATION
Abbreviation	:	One Step for Humanity Integrated A Trust for Education and Social Development
Chief Functionary	:	Mr.Vivek Sharma
Institution of the Organization	:	Nonpolitical, Non-religious, Non-Profit, Development Agency working for poor & oppressed.

Our Mission: Providing quality of education, Awareness and health care in the spirit of the society, especially the poor, the disadvantaged and the disenfranchised irrespective of caste and creed.

Our Vision: To identify and work with the impoverished, weaker and vulnerable sections of the society to find solutions to the challenges threatening their lives with the ultimate aim of establishing an aware, responsible and developed society based upon equality, fraternity and social justice, ensuring sustainable and holistic development with emphasis on human rights, and a culture of social service through creating synergy and building strategic partnership with the Government, NGOs (non-government organizations), SHGs (self help groups), CBOs (community based organizations) and various national and international organizations by planning appropriate downstream and upstream interventions.

Our Objectives:

1. Education, research and training:

- To promote education, especially girl education.
- To conduct educational, environmental and sociological studies.
- To promote use of Information & Communication Technology (ICT) for socio-economic development of the community.
- To organize training and refresher programs for the volunteers and officials of different Non Government Organizations to strengthen the development skills of trainees through IEC (information, education and communication) which they can use in the development sector.
- To disseminate information and knowledge, to edit, publish, and print literature and documents, maintain libraries, and to organize seminars/ conference/ meetings etc.
- To promote participation of youth (unemployed as well as students) in income generation activities.
- To establish educational, professional and vocational institutions like Engineering, Medical, Pharmacy and Agricultural Colleges that would strengthen the developmental process.
- To organize lectures, seminars and workshops to help or strengthen the character building process.

2. Health:

- To spread awareness about STD and HIV/AIDS and work for the welfare of people living with HIV/AIDS (PLWHAs).
- To work in the field of reproductive and child health, Cancer like Breast, Skin, Bladder, Leprosy, Diabetics, bone Diseases, Heart, Eye treatment services etc.
- To create awareness about communicable and vector-borne disease control measures through better hygiene and sanitation.
- To narrow the difference between the health status of people on the basis of their religion, region, caste, class and gender.

3. Development:

- To promote social welfare activities with special emphasis on women empowerment.
- To work for the betterment of weaker sections viz. SC/ST, women, children, senior citizens, and disabled etc. with a vision of social justice.
- To speed up the process of rural development and strengthen the agricultural, horticultural and animal husbandry sector.
- To eliminate child labour, child trafficking, and child abuse and focus on the education and resettlement of these deprived children.
- To form self-help groups and cooperatives and run income generation activities by linking them with banks through micro-credit.
- To Establish Old Age homes, Crèches, Orphan Houses, Rural and Urban Development activities, etc.i. To Establish Old Age homes, Crèches, Orphan Houses, Rural and Urban Development activities, etc.

- To grant aid/or assistance, financial or otherwise, to colleges, Hospitals, Dispensaries and Aushadhalayas or other institutions or establishments. Treatment of patients belonging to the poorer sections of the Society?
- To give Scholarship and other help or assistance either financial or otherwise to poor, needy and deserving students for obtaining education or allied fields and for going abroad for advanced studies.
- To do all other acts deeds and things as may be necessary and conducive for the attainment of the said objects.

4 To work for environmental awareness, sustainable development and participative management of local natural resources for village level development.

5 To fight against social wrongs like discrimination and harassment based on gender, caste and class.

6 To create awareness among people about functions and powers of PRIs (Panchayati Raj Institutions) and increase people's participation in democratic institutions.

7 To create awareness about disaster management and Emergency relief.

8 To fight against corruption and make people aware about their legal and consumer and Human rights.

9 To collaborate with corporate houses to fulfill their social responsibilities.

10 Policy formulation and implementation:

- To work with the government and other NGOs at the policy formulation level.
- To affirmatively coordinate with the State and Central Government in implementation of developmental schemes.

Target Community:
